The Alabama Gulf Coast is an easy drive from most major Southeast cities. And, airports in nearby Mobile and Pensacola are about an hour's drive from the beach. Most major airlines fly into both, and non-stop flights are available from some cities.

Future SPORTS TOURISM DEVELOPMENT

We're planning for the future! Sports and event tourism is a vital part of the economy in the cities of Gulf Shores and Orange Beach, particularly outside the peak summer season. Recognizing the importance of this sector of our business, the Gulf Shores & Orange Beach Tourism Board of Directors approved the purchase of 111.26 acres of land for future sports and event tourism development through Gulf Shores | Orange Beach Sports & Events.

The parcel of land is located in Gulf Shores, on the north side of Coastal Gateway Boulevard (County Road 8 East) and west of the the Foley Beach Express. The far north end of the property meets the city of Foley line and is close to the Orange Beach city limits.

We are in the research phase of this long-term project as we work with a feasibility company to determine the best use of this piece of property. Keep up with our progress as we dream and plan for big things to come!
